AMENDMENT AND RESPONSE

Box NON-FEE AMENDMENT  
Assistant Commissioner for Patents  
Washington, D.C. 20231

Dear Sir:

In response to the Office Action dated January 8, 2003, please amend the above-identified application.

In the Claims

Please amend claim 1 as follows:

1. (Once Amended) A combined battery comprising two end plates and a plurality of cells stacked adjacent each other and bound by the two end plates,
- wherein the cells are provided with a battery container made of resin, and
- the plurality of cells are bound by the two end plates with a binding force equal to or lower than a threshold value determined based on a number and a compressibility of the cells and stiffness of the battery container, in such a manner that no more than a predetermined amount of irreversible deformation will be caused in the battery container during use.
